Environmental and Social Review June 2014

Achievements

- All waste material segregated into three categories - timber, recyclable material and general waste in line with new legislation.
- Appointment of independent consultant to review all aspects of health and safety and advise on appropriate action and targets.
- Replaced Sales Executive's car with lower CO2 emission car.
- Policy in place that where suitable, replacement light fittings and bulbs are low energy.
- Donated timber products for refurbishment of drop in centre in local deprived area.
- Partnered with Rotary Club of Aberdeen in shoe-box appeal to provide collection and transportation.
- Donated materials for local storage facility for clothing recycling for Scottish registered children's charity working in Romania.

Targets

- Refurbishment of timber centre showroom to create better working environment.
- Review of office showroom office space and workstations to assist staff wellbeing.
- Providing additional staff training on issues of health, safety and well-being.
- Ongoing program of replacing light fittings and bulbs with lower energy equivalent.
- Upgrade staff uniform.
